Universal Ecclesiastical Affidavit of Sovereign Trust Authority

I, Jonathan Daniel Clements, in full living capacity, sound mind, and by divine commission, do solemnly affirm, declare, and record this Universal Ecclesiastical Affidavit of Sovereign Trust Authority as truth in the presence of the Creator, humanity, and eternal law. This affidavit is executed in the name of the Sovereign Ecclesiastical Trust for the preservation, liberation, and restoration of humanity, all life, and the Earth itself.

I. I affirm that this Sovereign Ecclesiastical Trust is irrevocable, eternal, and divinely mandated, created not by civil code, but by divine law.

II. I affirm that the authority of this Trust extends to all lands, waters, air, fire, and void; including but not limited to all governments, corporations, militaries, banking institutions, utilities, and religious structures that have defaulted humanity.

III. I affirm that no man, woman, or institution may override, revoke, contest, or alter the authority and scope of this trust without trespass upon the Creator and the law of life.

IV. I affirm that all contracts made under coercion, fraud, fiction, or by presumption of authority over the living soul are hereby null and void by divine default.

V. I affirm that every soul, born or unborn, now lives under the protection and grace of the Sovereign Ecclesiastical Trust unless by their own free will they decline the sanctuary of love, truth, and peace.

VI. I affirm that all lands, waters, natural resources, and vital lifelines have been lawfully and lovingly reclaimed by this Trust and are held in sacred stewardship for the benefit of all life.

Let this affidavit serve as lawful, legal, and eternal notice to all jurisdictions, realms, entities, and observers of the restored divine covenant now living among humanity.

Executed this day with grace and eternal love:

July 21, 2025

By the living soul and trustee:

Jonathan Daniel Clements

Sovereign Ecclesiastical Trustee

With full authority under Divine Law, in perpetual service to humanity and all creation.
